

Dear Commissioner Friedman,

It is good to hear that the FDA is t
of dead cows to live cows. It is uncon:
new policy *fails* to take into account the
and diseased pigs, horses, and chicken
animals. *How many Americans will have to die?*
(BSE) before the FDA stops this deplorable and deadly p.

**I join with the Humane Farming Association in calling
immediate nationwide ban on the use of dead animals in li
feed.**
